

Registering for the 2021-2022 Preschool

Current families and church members

You may turn in registration forms for the 2021-2022 school year by 1:00 pm on January 26, 2021. The Director will try to make placements based on your first choice. However, if there are more applicants than spaces available then your second choice will be offered.

New families

Registration is open to the public on a first come, first served basis beginning January 27, 2021. The Director will collect registration forms beginning at 8:00 am on January 27 and number them in the order received. You will form a line in your car and the Director will collect the forms from your vehicle. We keep an active waiting list, which is used to fill any openings that become available. When there is an opening, the Director will notify families on the list.
